POWDER Probiotics with Colostrum

Natural Orange/Pineapple Flavor

50g Powder (1.7oz)

ChildLife[®] is pleased to present our patented **Probiotics with Colostrum** in a powder formula.

This is the only formula for children that has a three prong approach to health.

■ **Probiotics** - Contains the most stable strains of Probiotics; Lactobacillus Acidophilus, Bifidobacterium Breve & Bifidobacterium Longum, for healthy intestinal health plus immune system support.*

■ **Prebiotics** - FOS (fructo-oligo-saccharides) plus Rice Tocotrienols help support the growth of good bacteria to improve and maintain healthy digestive function.*

■ **Colostrum** - The only supplement you can take that provides a full spectrum of antibodies and immune factors. It is nature's first food for the immune system.

ChildLife[®] uses only the highest quality ingredients. Gluten free, alcohol free. Contains no eggs, soy, wheat, yeast, or corn. No artificial colorings, flavorings or sweeteners. Our Colostrum is free of hormone rBGH.
